WILLIAM DAVIS,	)	Judge Marilyn J. Horan

Defendant.	)	

**ORDER OF COURT**

AND NOW, this 30th day of September 2019, after considering the evidence that has been presented today in this hearing on Defendant's Motion to Suppress (ECF No. 16), as well as review of the Motion itself and briefing in this case, it is the Court's conclusion that the officers involved had reasonable suspicion of the Defendant's involvement with a crime that had recently occurred; and that that reasonable suspicion was grounded in specific and articulable facts, such that the stop at issue in this case was appropriate and it was in connection with the investigation of a felony, and as such the stop was appropriate and legitimate. Therefore, Defendant's Motion to Suppress is DENIED.

BY THE COURT.
